32 by the permit holder in the preceding month attributable to
33 adjusted gross receipts received from the racetrack.

34 STEP THREE: Determine the ratio of the STEP TWO
35 amount to the STEP ONE amount.

36 STEP FOUR: Multiply the STEP ONE amount by thirty
37 percent (30%).

38 STEP FIVE: Multiply the STEP FOUR result by the ratio
39 determined under STEP THREE.

40 (f) This subsection applies to tax revenues received from both
41 satellite facilities located in a county containing a consolidated city.
42 The amount of the tax revenues distributed under subsection
43 (c)(1)(C) is determined under STEP SIX of the following formula:

44 STEP ONE: Determine the sum of the subsection (d) STEP
45 ONE amount and the subsection (e) STEP ONE amount.

46 STEP TWO: Determine the sum of the subsection (d) STEP
47 TWO amount and the subsection (e) STEP TWO amount.

48 STEP THREE: Determine the remainder of the sum

determined under STEP ONE minus the sum determined under STEP TWO.

STEP FOUR: Determine the ratio of the amount determined under STEP THREE to the sum determined under STEP ONE.

STEP FIVE: Multiply the sum determined under STEP ONE by thirty percent (30%).

STEP SIX: Multiply the STEP FIVE result by the ratio determined under STEP FOUR.

(j) The total and aggregate liability of the surety on a bond is limited to the amount specified in the bond and the continuous nature of the bond may in no event be construed as allowing the liability of the surety under a bond to accumulate for each successive approval period during which the bond is in force.

(k) A bond filed under this section is released sixty (60) days after:

(1) the time has run under subsection (h); and

(2) a written request is submitted by the licensed owner.

The additional distribution is equal to the difference between the average monthly distribution and the amount distributed under subsection (a)(1). (b) As used in this section, "contractor" refers to a firm that enters into a contract with the department of local government finance under this section.

(c) As used in this section, "qualifying county" means a county having a population of more than four hundred thousand (400,000) but less than seven hundred thousand (700,000).

(d) Notwithstanding sections 15 and 17 of this chapter, a township assessor in a qualifying county may not appraise property, or have property appraised, for the general reassessment of real property to be completed for the March 1, 2002, assessment date. Completion of that general reassessment in a qualifying county is instead governed by this section. The only duty of:

(1) a township assessor in a qualifying county; or

(2) a county assessor of a qualifying county;

with respect to that general reassessment is to provide to the department of local government finance or the department's contractor under subsection (e) any support and information requested by the department or the contractor. This subsection expires June 30, 2004.

(e) The department of local government finance shall select and contract with a certified public accounting firm with expertise in the appraisal of real property to appraise property for the general reassessment of real property in a qualifying county to be completed for the March 1, 2002, assessment date. The department of local government finance may enter into additional contracts to provide software or other auxiliary services to be used for the appraisal of property for the general reassessment. The contract applies for the appraisal of land and improvements with respect to all classes of real property in the qualifying county. The contract must include:

(1) a provision requiring the appraisal firm to:

(A) prepare a detailed report of:

(i) expenditures made after July 1, 1999, and before the date of the report from the qualifying county's reassessment fund under section 28 of this chapter (repealed); and

(ii) the balance in the reassessment fund as of the date of the report; and

(B) file the report with:

(i) the legislative body of the qualifying county;

(ii) the prosecuting attorney of the qualifying county;

- 1 (iii) the department of local government finance; and
- 2 (iv) the attorney general;
- 3 (2) a fixed date by which the appraisal firm must complete all
- 4 responsibilities under the contract;
- 5 (3) subject to subsection (t), a provision requiring the appraisal
- 6 firm to use the land values determined for the qualifying county
- 7 under section 13.6 of this chapter;
- 8 (4) a penalty clause under which the amount to be paid for
- 9 appraisal services is decreased for failure to complete specified
- 10 services within the specified time;
- 11 (5) a provision requiring the appraisal firm to make periodic
- 12 reports to the department of local government finance;
- 13 (6) a provision stipulating the manner in which, and the time
- 14 intervals at which, the periodic reports referred to in subdivision
- 15 (5) are to be made;
- 16 (7) a precise stipulation of what service or services are to be
- 17 provided;
- 18 (8) a provision requiring the appraisal firm to deliver a report of
- 19 the assessed value of each parcel in a township in the qualifying
- 20 county to the department of local government finance; and
- 21 (9) any other provisions required by the department of local
- 22 government finance.

23 After December 31, 2001, the department of local government finance
 24 has all the powers and duties of the state board of tax commissioners
 25 provided under a contract entered into under this subsection (as
 26 effective before January 1, 2002) before January 1, 2002. The contract
 27 is valid to the same extent as if it were entered into by the department
 28 of local government finance. However, a reference in the contract to
 29 the state board of tax commissioners shall be treated as a reference to
 30 the department of local government finance. The contract shall be
 31 treated for all purposes, including the application of IC 33-3-5-2.5, as
 32 the contract of the department of local government finance. If the
 33 department of local government finance terminates a contract before
 34 completion of the work described in this subsection, the department
 35 shall contract for completion of the work as promptly as possible under
 36 IC 5-22-6. This subsection expires June 30, 2004.

37 (f) At least one (1) time each month, the contractors that will make
 38 physical visits to the site of real property for reassessment purposes
 39 shall publish a notice under IC 5-3-1 describing the areas that are
 40 scheduled to be visited within the next thirty (30) days and explaining
 41 the purposes of the visit. The notice shall be published in a way to
 42 promote understanding of the purposes of the visit in the affected areas.
 43 After receiving the report of assessed values from the appraisal firm
 44 acting under a contract described in subsection (e), the department of
 45 local government finance shall give notice to the taxpayer and the
 46 county assessor, by mail, of the amount of the reassessment. The notice
 47 of reassessment is subject to appeal by the taxpayer to the Indiana

board. The procedures and time limitations that apply to an appeal to the Indiana board of a determination of the department of local government finance apply to an appeal under this subsection. A determination by the Indiana board of an appeal under this subsection is subject to appeal to the tax court under IC 6-1.1-15. This subsection expires on the later of June 30, 2004, or the date a final determination is entered in the last pending appeal filed under this subsection.

(g) In order to obtain a review by the Indiana board under subsection (f), the taxpayer must file a petition for review with the appropriate county assessor within forty-five (45) days after the notice of the department of local government finance is given to the taxpayer under subsection (f). This subsection expires June 30, 2004.

(h) The department of local government finance shall mail the notice required by subsection (f) within ninety (90) days after the department receives the report for a parcel from the professional appraisal firm. This subsection expires June 30, 2004.

(i) The qualifying county shall pay the cost of any contract under this section which shall be without appropriation from the county property reassessment fund. A contractor may periodically submit bills for partial payment of work performed under a contract. However, the maximum amount that the qualifying county is obligated to pay for all contracts entered into under subsection (e) for the general reassessment of real property in the qualifying county to be completed for the March 1, 2002, assessment date is twenty-five million five hundred thousand dollars (\$25,500,000). Notwithstanding any other law, a contractor is entitled to payment under this subsection for work performed under a contract if the contractor:

 - (C) the certification provided by the department of local government finance that indicates that the goods and services billed for payment have been received and comply with the contract.

An approval and a certification under subdivision (2) shall be treated as conclusively resolving the merits of the claim. Upon receipt of the

documentation described in subdivision (3), the county auditor shall immediately certify that the bill is true and correct without further audit, publish the claim as required by IC 36-2-6-3, and submit the claim to the county executive of the qualifying county. The county executive shall allow the claim, in full, as approved by the department of local government finance without further examination of the merits of the claim in a regular or special session that is held not less than three (3) days and not more than seven (7) days after completion of the publication requirements under IC 36-2-6-3. Upon allowance of the claim by the county executive, the county auditor shall immediately issue a warrant or check for the full amount of the claim approved by the department of local government finance. Compliance with this subsection shall be treated as compliance with section 28.5 of this chapter, IC 5-11-6-1, IC 5-11-10, and IC 36-2-6. The determination and payment of a claim in compliance with this subsection is not subject to remonstrance and appeal. IC 36-2-6-4(f) and IC 36-2-6-9 do not apply to a claim under this subsection. IC 5-11-10-1.6(d) applies to a fiscal officer who pays a claim in compliance with this subsection. This subsection expires June 30, 2004.

The department of local government finance may contract to have the review performed by an appraisal firm. The department of local government finance or its contractor shall determine for the real property under consideration and for the qualifying county or township the variance between:

- (1) the total assessed valuation of the real property within the qualifying county or township; and
- (2) the total assessed valuation that would result if the real property within the qualifying county or township were valued in the manner provided by law.

(l) If:

- (1) the variance determined under subsection (k) exceeds ten percent (10%); and

(2) the department of local government finance determines after holding hearings on the matter that a special reassessment should be conducted;

the department shall contract for a special reassessment by an appraisal firm to correct the valuation of the property.

(m) If the variance determined under subsection (k) is ten percent (10%) or less, the department of local government finance shall determine whether to correct the valuation of the property under:

(1) sections 9 and 10 of this chapter; or

(2) IC 6-1.1-14-10 and IC 6-1.1-14-11.

(n) The department of local government finance shall give notice by mail to a taxpayer of a hearing concerning the department's intent to cause the taxpayer's property to be reassessed under this section. The time fixed for the hearing must be at least ten (10) days after the day the notice is mailed. The department of local government finance may conduct a single hearing under this section with respect to multiple properties. The notice must state:

(1) the time of the hearing;

(2) the location of the hearing; and

(3) that the purpose of the hearing is to hear taxpayers' comments and objections with respect to the department of local government finance's intent to reassess property under this chapter.

(o) If the department of local government finance determines after the hearing that property should be reassessed under this section, the department shall:

(1) cause the property to be reassessed under this section;

(2) mail a certified notice of its final determination to the county auditor of the qualifying county in which the property is located; and

(3) notify the taxpayer by mail of its final determination.

(p) A reassessment may be made under this section only if the notice of the final determination under subsection (n) is given to the taxpayer within the same period prescribed in IC 6-1.1-9-3 or IC 6-1.1-9-4.

(q) If the department of local government finance contracts for a special reassessment of property under this section, the qualifying county shall pay the bill, without appropriation, from the county property reassessment fund. A contractor may periodically submit bills for partial payment of work performed under a contract. Notwithstanding any other law, a contractor is entitled to payment under this subsection for work performed under a contract if the contractor:

(1) submits, in the form required by IC 5-11-10-1, a fully itemized, certified bill for the costs under the contract of the work performed to the department of local government finance for review;

(2) obtains from the department of local government finance:

- 1 (A) approval of the form and amount of the bill; and
- 2 (B) a certification that the billed goods and services billed for
- 3 payment have been received and comply with the contract; and
- 4 (3) files with the county auditor of the qualifying county:
- 5 (A) a duplicate copy of the bill submitted to the department of
- 6 local government finance;
- 7 (B) the proof of approval provided by the department of local
- 8 government finance of the form and amount of the bill that
- 9 was approved; and
- 10 (C) the certification provided by the department of local
- 11 government finance that indicates that the goods and services
- 12 billed for payment have been received and comply with the
- 13 contract.

14 An approval and a certification under subdivision (2) shall be treated
 15 as conclusively resolving the merits of the claim. Upon receipt of the
 16 documentation described in subdivision (3), the county auditor shall
 17 immediately certify that the bill is true and correct without further
 18 audit, publish the claim as required by IC 36-2-6-3, and submit the
 19 claim to the county executive of the qualifying county. The county
 20 executive shall allow the claim, in full, as approved by the department
 21 of local government finance without further examination of the merits
 22 of the claim in a regular or special session that is held not less than
 23 three (3) days and not more than seven (7) days after completion of the
 24 publication requirements under IC 36-2-6-3. Upon allowance of the
 25 claim by the county executive, the county auditor shall immediately

This subsection expires June 30, 2004.

(v) The department of local government finance, upon receiving notice under subsection (u) from the contractor, shall:
